Report of Principal and School

Hannah-Pamplico High School is located in a rural setting that is beneficial to our performance and dedication to our students. We have had another successful academic year by receiving a rating of "Good" for the 2013 report card along with a rating of "at risk" in the increase of our growth rate. We are very excited about our accomplishment and hope to continue in this movement of higher achievement. We also had the pleasure of implementing USA Test Prep into our curriculum to aid our students in academic growth. Although we are a small school, over half of our students participate in athletics and/or student government. Our students also participate in various student publications, service projects, a community arts festival, and an African-American Read-In.

We provide our students with various forms of academic aid, such as peer tutoring, job shadowing, subject-related field trips, competitions, and a credit-recovery program that enhances the academic foundation of every student. We will also enter our second year with the I3 Writing Grant to aid our students in their writing proficiency. Students and community members are also a vital part of our School Improvement Council as they made key decisions on school-related issues.

It is an honor and a privilege to recognize a few of our academic accomplishments: 5 student scored 1200 or higher on the SAT; 1 student was a Palmetto Fellows recipient; 19 of 68 seniors are eligible for the LIFE scholarship based on the CHE standards; 5 of 68 seniors are eligible for the HOPE scholarship based on the CHE standards; a total of 45 scholarships (All academic) were awarded to the senior class. We are also proud to announce that 15 students participated in the Myrtle Beach Chamber of Commerce Youth Leadership Academy. Another accomplishment was having our Academic Challenge Team invited to the national competition in Washington DC. I am also elated to announce that the total amount in scholarships this year exceeded 1 million dollars.

Our rural community provides us with a family-oriented atmosphere that is a vital part of our academic and social growth. This characteristic fuels our continuing effort to achieve excellence, which is the foundation on which we build our success.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	58.2
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Hannah-Pamplico High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
